High Performance Direct Draw Beer Dispenser Range

ENGINEERED. RELIABLE.

Introducing the all new Bracton direct draw beer dispensers. Stainless steel inside and out the range has been designed to store and dispense from standard commercial beer kegs.

ENERGY EFFICIENT DESIGN

High thermal efficiency minimises heat loss ensuring chilled beer all year round.

PLUG IN AND POUR

Self install design. No fuss installation. Connect gas an tap to a chilled keg and you're ready to pour.

FEATURES

- > Heavy duty reinforced stainless steel construction
- > Industrial castor wheels for easy transport
- > Integrated drip tray
- > Self closing doors
- > Security key locked kegs storage
- > Bottle shelving
- > Glass retail display door (3 door model)
- > Made for Australian conditions
